

Il Palio di Siena

July 02 & August 16, 2018

Alviani Viaggi in conjunction with Castel Monastero offers its guests the unique opportunity to experience the Palio from a truly exclusive position, from the windows of one of the most beautiful apartments overlooking the square.

The Palio di Siena is one of the most famous horse races in Italy and is held twice each year, on July 2 and August 16. The origins of this race are medieval, and the first modern Palio took place in 1656. The race takes place with ten horses and riders, bareback and dressed in the appropriate colours representing ten of the seventeen contrade, or city wards. The riders circle three times around the Piazza del Campo, one of the symbols of Siena.

The race will open with a magnificent pageant, the Corteo Storico, which includes (among many others) Alfieri, flag-wavers in medieval costumes.
